

# ROTATING RACK OVENS

## OUR BEST BAKING OVEN PERIOD!

Blodgett's XR8 is the perfect merchandising oven for the front of house. The large viewing windows, rotating rack and halogen lighting make your baked goods impossible to resist.

- Product rotates continuously for a **TRUE NO TURN BAKE**.
- Consistent results from front to back, top to bottom.
- Extremely versatile, can do bread, pastry, cakes etc.
- Applications - baking, dry roasting, wet roasting, fried foods.
- Unique rack slide system enables the operator to quickly adjust slide spacing in any configuration.
- Blower delay feature allows the convection fan to be turned off for up to 10 minutes - ideal for baking delicate products.
- Internal steam system capable of producing large volumes of steam instantly for bagels or similar products - perfect for thick, shiny crusts and artisan style breads.
- Available in gas and electric models.

## XR8 ROTATING RACK OVENS

- Warranty: 2 year parts and labor.
- Adjustable rack spacing.
- Rack removes easily for cleaning, internal steam system.
- Pre-plumbed water lines.
- Bright halogen interior lighting.
- Digital control with six programmable presets, steam vent control, blower delay and separate bake and steam times.
- Available for general export use.
